

VISITOR GUIDELINES

We are excited to welcome you to Oglethorpe University so you can experience the beauty of our historic campus for yourself. To ensure the health and safety of the OU community and our visitors, we have established the following policies based on public health guidance from the CDC, state and local authorities.

Before Your Visit

All visitors are required to register in advance of arriving on campus. To register for a campus tour, visit oglethorpe.edu/visit. To ensure that as many students as possible are able to visit campus and maintain low density tour groups, we are limiting all families to three (3) members: the prospective student, and two (2) guests.

Check For COVID-19 Symptoms

If you or another member of your family is experiencing symptoms of COVID-19 or has recently been in contact with someone who contracted COVID-19, please reschedule your visit.

Face Coverings & Hygiene

All visitors are required to wear a face covering inside buildings while touring campus. Face coverings should cover both your nose and mouth. Any guests who do not have their own face covering will be provided a disposable mask to wear during their visit.

Bottled water will be available when you check-in. While we are eager to meet you in person, our admission staff and student tour guides will not be shaking hands out of an abundance of caution.

On the Day of Your Visit

Visitor parking is located outside of Lupton Hall. Directions to visitor parking and check-in information will be included in your confirmation and reminder emails.

Your visit will last approximately 1 hour and 30 minutes. You will have the opportunity to learn about Oglethorpe during a brief presentation led by an Admission Counselor, tour campus with a current student Admission Ambassador, and get answers to any questions you may have.

While Oglethorpe University is taking precautions to safeguard our community, we cannot eliminate the risk of COVID-19 exposure and infection on campus. Please be reminded that you are undertaking your visit at your own risk. If any visitor shows symptoms and tests positive for COVID-19 within 48 hours of visiting campus, please report that information to heathinfo@oglethorpe.edu.

Questions?

If you have any questions about your upcoming visit, please email visits@oglethorpe.edu or text **470-300-1717**.
